Dear Barbara,
I know it's been a while since my wedding on 9.24.05, but I wanted you & all the staff at Bryan Park know that you created the wedding of my dreams. The service was amazing and people are still telling me how great the food was. From day one, you helped in any way you could. I picked most of my vendors from your vendor list and loved everyone of them. Thank you for paying attention to every detail and for making us feel like royalty.

Everything went so smoothly. I felt like you & the staff were like our guardian angels - taking such good care of us and not letting us worry about a thing. You all truly went out of your way to make us feel special. Choosing Bryan Park for my wedding venue was the best decision of all the ones I had to make. May Bryan Park continue to do very well and may many more brides and grooms make the best choice for their big day!
lots of love,
Jennifer and Todd

Dear Barbara,

Thank you so much for all you did to make the Bryan National Collegiate the great success that it was. Everything was just terrific. I know how much work goes into making a tournament a successful one. Thank you for all of that hard work.

Everyone was terrific and made us feel so welcomed- the golf shop staff, the course maintenance staff, the restaurant staff, the events staff and the volunteers. The volunteers were real troopers to help in that weather. I don't know what we would've done without them.

The golf course was in wonderful condition. I know the maintenance staff work hard and put in extra hours to make the course so nice for us. The food was, as always, delicious, and there was plenty of it. I know that took a lot of extra work.

We were fortunate to play in this event. Thank you so much for all you did!

Sincerely,

Sally Austin

Dear Barbara -

My first thoughts to planning a reception when one lives out of town was "ridiculous." But you certainly proved me wrong. Thank you so much for making this 1st time experience - pleasurable! It doesn't matter how beautiful a facility is, if you haven't got the right people making it.

I was well pleased (just plain tickled) on how things were handled; from the displays of cheese & fruit to the entrée. Barbara! Thank you so much for taking over and turning this reception into a dream come true. Your kitchen staff and wait staff deserves a special thank you, please extend this one to them. Not only was the food presented beautifully but it was also delicious; and the help loading gifts etc. in the car was so appreciated.

Due to you and your staff, the Orr-Sherrill reception was a memorable and joyous event.

"Thank you all so much!"

Love in Christ

Dear Barbara,

I can't begin to thank you and your entire staff enough for the great work you did for the Bryan National Collegiate! Several coaches and players mentioned to me that this was the best run tournament we've ever done! This is due in large part to all of your efforts, and we greatly appreciate that.

We look forward to a great event next year! Good luck with the East Regional tournament!

Many thanks,

Hello Barbara,

Forgive me for taking such a long time to thank you for our wonderful retreat last month. We've been busy working on a retreat for the Academic Deans which also went very well except for the fact we had to evacuate Wrightsville Beach on Tuesday afternoon. Life is always an adventure isn't it?

I wanted to express our sincere thanks to you and your staff for making our Academic Affairs Staff Retreat such a success. We felt welcome, special and enjoyed the day tremendously. The food was delicious and your "can do" attitudes made all the difference for everyone. You will be our first choice if we are ever in need of such a facility for a future group function.

Again, it has been a pleasure working with you. You are a true professional!

Best always,
Cindy

Re: Brown-Williams Wedding Reception
July 17, 2004

Dear Barbara:

Bill and I can't thank you enough for helping make Kristen and Donnie's wedding reception a day they will always treasure and remember fondly.

From the beginning when we first met you, you made everything so easy from choosing the menu, to how many tables, the tablecloths, the pieces of dinnerware we needed, how many buffet stations – everything was done in a very professional and friendly manner. I know sometimes we made pests of ourselves but you were always very gracious and accommodating. We would also like to thank you for recommending John Knight and his horse and carriage. Kristen and Donnie were overjoyed they got their carriage ride as did most of the kids and Bill and I were able to get a ride as well. John was wonderful to work with - I think he truly enjoys his profession.

The day before the reception when I was running late you were very helpful to me in setting out all the pictures Kristen and Donnie wanted everyone to see as well as the wedding doll, the softball bats and the poems they wrote to one another.

On the wedding day when it came time for the reception everything looked perfect when we came in. You always seem to anticipate everyone's needs and in a professional and courteous manner took care of everything. Your timing was always perfect – you were right there whenever a family member at the bridal table needed a refill for a drink or whatever the need was - and in the background when needed to be. From the time we came in and from your introduction of "Mr. and Mrs. Donnie Williams" to the cutting of the cake and a fond farewell it was a perfect day and a good time was had by all. The only complaint I heard was that it all had ended too soon and that tells me you do your job and you do it extremely well.
